32. Malawi (May 2007)	65. Vanuatu (May 2007)	32. Tunisia (December 2006)	
33. Mali (March 2008)	66. Vietnam (May 2007)	33. Turkmenistan (November 2007)	
	67. Zambia (November 2004)	34. Uzbekistan (November 2007)	
		35. Zimbabwe (February 2006)	

Disclaimer: There can be no guarantee that marketing approval for Viread® will be granted in any of the low and lower middle income countries where registration is pending, and any marketing approval, if granted, may have significant limitations on its use.

Terms and Definitions

Approved:	Dossier submitted and approved by country or no formal regulatory process in place; approval confirmed by country.
Filed:	Dossier submitted and review pending.
Pending Submission:	Dossier has not been submitted to date; standard dossier filed - specific documentation required in order to further application process; or all relevant documentation provided to distributor for in-country submission (submission may be pending translation into local language).
Italicized:	Countries where approval is granted via Notification and/or Import Permit. Notification refers to documentation, other than a registration dossier, that is reviewed and approved by the Health Authority; an Import Permit is an authorization by a competent authority for the importation of product into the country.
Asterisk (*):	Distributor not yet assigned.
Check Mark (✓)	Product available through distributor.
^	Stage 1 approval; allows importation of product into country.
