**Disclaimer:** There can be no guarantee that marketing approval for Viread® will be granted in any of the low and lower middle income countries where registration is pending, and any marketing approval, if granted, may have significant limitations on its use.

**Terms and Definitions**

**Approved:** Dossier submitted and approved by country or no formal regulatory process in place; approval confirmed by country.  
**Filed:** Dossier submitted and review pending.  
**Pending Submission:** Dossier has not been submitted to date; standard dossier filed - specific documentation required in order to further application process; or all relevant documentation provided to distributor for in-country submission (submission may be pending translation into local language).  
**Italicized:** Countries where approval is granted via Notification and/or Import Permit. Notification refers to documentation, other than a registration dossier, that is reviewed and approved by the Health Authority; an Import Permit is an authorization by a competent authority for the importation of product into the country.  
**Check Mark (√)** Product available through distributor.
