Terms and Definitions

Approved: Dossier submitted and approved by country or no formal regulatory process in place; approval confirmed by country.

Filed: Dossier submitted and review pending.

Pending Submission: Dossier has not been submitted to date; standard dossier filed - specific documentation required in order to further application process; or all relevant documentation provided to distributor for in-country submission (submission may be pending translation into local language).

Check Mark (✓): Product available through distributor.

Note

There can be no guarantee that marketing approval for Viread® for the treatment of hepatitis B will be granted in any of the low- and middle-income countries where registration is pending; any marketing approval, if granted, may have significant limitations on its use.
