### Terms and Definitions

**Approved:** Dossier submitted and approved by country or no formal regulatory process in place; approval confirmed by country.

**Filed:** Dossier submitted and review pending.

**Pending Submission:** Dossier has not been submitted to date; standard dossier filed - specific documentation required in order to further application process; or all relevant documentation provided to distributor for in-country submission (submission may be pending translation into local language).

**Italicized:** Countries where approval is granted via Notification and/or Import Permit. Notification refers to documentation, other than a registration dossier, that is reviewed and approved by the Health Authority; an Import Permit is an authorization by a competent authority for the importation of product into the country.

**Check Mark (✓)** Product available through distributor.

### Note

There can be no guarantee that marketing approval for Complera®/Eviplera® will be granted in any of the low- and middle-income countries where registration is pending; any marketing approval, if granted, may have significant limitations on its use.
