Gilead Sciences, Inc. Healthcare Policy Political Action Committee (PAC) Contributions
January - June 2026

Contributions to federal candidates and committees are made by the Gilead Sciences Inc. Healthcare Policy PAC ("Gilead PAC"), a federally registered political committee that accepts contributions from eligible Gilead employees on a voluntary basis. The Gilead PAC is governed by a volunteer Board of Directors, who are responsible for the supervision, control and direction of the affairs of the PAC, and execute policies and decisions consistent with the PAC's purposes. Criteria for identifying candidates eligible for support by the Gilead PAC are enumerated in the Gilead PAC by-laws. Giving criteria considers a candidate's respect for the rule of law, commitment to democratic principles and institutions, and one or more of the following criteria: the candidates' views align with Gilead's on key policy issues; the candidates are in a leadership position or on key committees of importance to Gilead and our patients; the candidates represent a district or state that includes a Gilead facility or a significant constituent presence of Gilead employees; and, the candidates espouse support for Gilead core principles of equality, diversity and inclusion. The PAC has no partisan affiliation and may contribute to candidates of any party. Direct corporate contributions to federal candidates and national political party committees are prohibited by law. As a result, we do not make such contributions with corporate funds.
