| <input type="checkbox"/> Privacy settings not working        |  |

Other (describe below):

### Description of your issue

Please enter the details of your complaint. This should include a clear description of the issue and how to duplicate the problem, if possible. If you wish to include an attachment, please describe it in the final section of this form and email it alongside this form.

Do not include sensitive information such as credit card information, social security number, or password in the description.

### What resolution are you seeking?

Please describe the action(s) you would like Gilead to take to resolve this issue.

**Your email address**

If you wish to receive a response, or be reachable for questions/updates, you must provide a working e-mail address where you can receive e-mail. Please note that certain requests (such as those requiring account-specific research or changes) cannot be resolved without you providing identifying information to Gilead.

**Your name**

You are welcome to use your real name or use “No Name” if you do not wish to provide your name. Providing your name generally helps expedite resolution if Gilead has to look up your specific account or personal details.

**Your country**

List any attachments, if applicable, and e-mail this form and attachments to [privacy@gilead.com](mailto:privacy@gilead.com).
